RHO KAPPA STRIKES AGAIN

Trivia Night

The Amesbury chapter of the History National Honors Society (Rho Kappa) hosted a trivia night on Thursday, April 17. The fun-filled evening consisted of three rounds, each featuring ten questions focused on different aspects of history. The first round highlighted our beloved little city, Amesbury, which is extraordinarily rich in history, though often overlooked by our age group. The second round was dedicated to Presidential trivia, and with the host dressed as Nancy Reagan. There were also some first lady-themed questions. For the third and final round, the focus shifted from local history to the world stage, as world history was added to the agenda just for Dr. Lingley.

As our chapter is named for Josiah Bartlett, a famous bury-born man, round one had to include a question about him. The question was why is he

Rho Kappa President Aiden Neale reads the questions, assisted by Vice President Olivia Woodsom.

remembered? A) The founder of Amesbury B) being the second signer of the Declaration of Independence C) being a Vice President D) being the first president of the New Hampshire Medical Society. Amesbury's very own Josiah Bartlett is known for being the second man to sign the

Declaration of Independence!

The fundraiser raised \$345, with six teams of six testing their historical knowledge. Rho Kappa President Aiden Neale served as the trivia master for the night and was responsible for organizing the entire event, with assistance from advisor Mr. Osgood and Vice Presidents Olivia Woodsom and Jared Black. Aiden and Olivia both acted as emcees, reading off the 30 trivia questions. Junior Addison Kelly helped grade the answer sheets between rounds,

while seniors Aurora Montello and Aliana Paulino managed the snack table, a daunting task indeed. Throughout the three rounds, a total of 40 points were available. The winning team, "Way Out of Detention!" made only four mistakes, earning a total of 36 points and winning a \$30 Market Square Bakehouse gift card.

SENIOR STUFF ANNOUNCED

Senior Parents' Night

The annual Senior Parents' Night was held this past Wednesday in the auditorium and gym. This is a night when all the senior events are explained, seniors get their parents to pay for their dinner dance and class trip, and multiple groups try, usually to sell things.

Senior Week will actually kick off on Thursday, May 22, with the Senior Walk through the elementary and middle schools in cap and gown.

Sing-Out, the yearbook's assembly and talent show will be Friday, May 23rd at 12:45. Parents are invited. Following Sing-Out, yearbooks will be given out in the cafe.

After the long Memorial Day weekend, Baccalaureate will take place at 6PM on Tuesday, May 27th. Scholarships will be announced.

The next day the class trip will be to Level 99 at the Natick Mall. After returning to AHS, the seniors will have a cook out. The cost for the trip is \$60.

On May 29th, the Senior Dinner Dance will be held at the LaBelle Winery in Derry, NH. The cost for this is also \$60, but if a senior wants to attend both the trip and dinner dance, the total cost is \$90 for the package deal.

Graduation is the next night at 7PM in the stadium. Coach Gearin has declared it will not rain, so don't worry about having to attend in the auditorium at the same time.

The 26th annual Grad Night all-night party will follow. This is always filled with cool (secret) stuff and events, so don't miss it.

Still have mone left? Senior carnations, sold by the sophomores, are only \$1 each and will be on sale until May 16th. You can buy a congratulatory lawn sign for \$20 from the juniors. The freshmen are selling DVD's of the formal senior events for \$20.

Julia Parsons records Evie Pifalo's senior week ticket order.

Charlotte Costigan asks you to buy a lawn sign from the Junior Class.

GABRIELLA ENTRICAN

Senior Profile

By Alice Moulton

Gabriella, who is better known as Gabby, would say the most unique thing about her is her love of baking! The one word she would use to describe herself is sweet; people describe her as a nice person!

In school, Gabriella is in drama club and newspaper. Her favorite teacher is Mrs. Johnston because she is super nice and her class is super fun! This is likely why French is her favorite class. Gabby's favorite part of high school was the extra curriculars. A fellow student Gabby enjoyed was Ginger Brisson, as Ginger is funny, kind, and always makes us smile!

Outside of school,

Gabby is a Diocesan Council member. She also enjoys baking,

reading, and doing art. Some other things Gabby loves are Boston cream donuts, *The Lego Movie Video Game*,

would want to travel back in time, endless money, and to be able to sing. La la la...

When no one is looking, Gabby likes to curl up in bed. If Gabby could meet anyone, alive or dead, she would want to meet Eleanor Roosevelt. An expression Gabby tends to overuse is 'honey, no.' Some of Gabby's biggest pet peeves are loud noises and nails on a chalkboard. Yikes! If Gabby had a superpower, she would want to be able to time travel because she loves history!

When Gabby was younger, she wanted to be a doctor because she thought it would be cool. Now, she plans on going to culinary school! In ten years, Gabby plans on working in a bakery and then opening her

own business. We hope Gabby achieves all her goals, and that her future is very sweet!

PIPER SANFORD

Senior Profile

By Alice Moulton

Piper has a lot of nicknames! She is called Pippy, Pip, Bip, and Pepper. The most unique about her is her love for learning languages. She's learning 12 languages! The one word she would use to describe herself is 'ambitious,' as she strives for her goals no matter what!

In school, Piper is in drama club. Her favorite teacher is Mrs. Murphy because she is so easy to and very nice! Her favorite part of high school was her friends, especially her friend Ginger Brisson for hosting DnD Club!

Outside of school, Piper studies language, scoops ice cream, and does yoga. She also likes avocado rolls, *Go Vacation*, and Dua Lipa! If a genie granted three wishes to Piper, she would want to be an A-list celeb, the power to have any superpower she wants, and to have better eye sight.

If they made a movie about Piper's life, she would want to be Yikes! Piper's oddest habit is not being able to normally sit in chairs or cars.

If Piper could change anything about her life, she would want to be more social and make more connections. Some of Piper's pet peeves are picking nail polish of right after putting it on. When no one is looking, Piper likes to do yoga or listen to music. La la la...

When Piper was little, she wanted to be a chicken because she liked them. Now, she plans on going to New York and being famous by 2027. In ten years, she wants to be rich, famous, and speaking over ten languages. Her final advice to the seniors is that this is good bye ... Hopefully we see Piper again, and we hope all of her goals are met.

played by herself! Her hero is Zendaya, and she would want to get the chance to meet her! Piper's most embarrassing moment was getting a trench coat stuck around her waist.

BASEBALLIN'

Baseball

By Marley Metcalf

Last Saturday, the baseball team picked up its first win of the year, beating Rockport 11-1. DJ DiCarlo was the winning pitcher. Unfortunately they couldn't keep it going. The varsity lost to Pentucket this past Tuesday, April 29th at home field, with Pentucket scoring 8 runs and Amesbury scoring 1. They appear strong, making some good defensive plays in the field, but are still warming up for the season, winning only 1 game out of 8. This young underdog team will continue to practice and grow from their losses.

Girls' Tennis

by Tori Woodsom

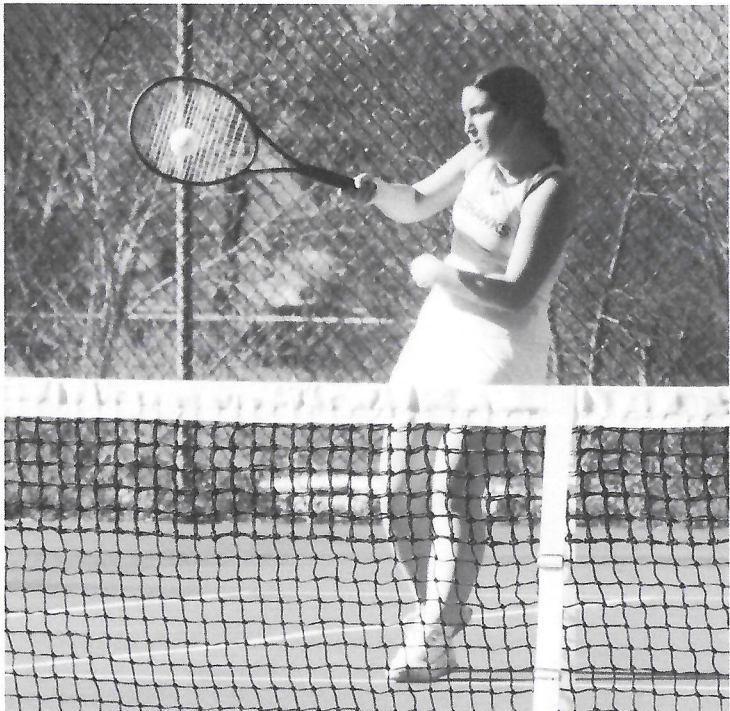

While the girls' tennis team started the season out strong, the last few games have been quite a struggle. Last Wednesday the girls had an away game against Manchester Essex with player Katie Welch returning to first doubles. All the girls fought hard but, unfortunately there were no Amesbury dubs that night. Last Monday, the team played North Reading at home. It was once again a loss for Amesbury, but second doubles Sammy Porter and Liv Thorpe dominated their match with their first win of the season! This Wednesday, they will play away at Rockport and are sure to secure a win.

WIN SOME, LOSE SOME

Softball

By Cailee LeBlanc

Softball took home a massive 10-7 win against Hamilton Wenham on April 21. Lexi LeBlanc, Katelyn Cronin, and Celia Tavares all had home runs. Despite a couple errors on the field they pulled it together to secure the win. Unfortunately, they did lose 13-0 to Georgetown on April 23rd despite the swinging of bats and several good plays from the fielders. Still warming up to the season, they still tried their best at the plate and on the field. However, there was a huge redemption against Rockport with a 23-1 win. It was a warm day but that did not stop the girls from making plays. Harper Walker and Lexi LeBlanc were alive at the plate and smashed home runs.

Lacrosse

By Nicky Creps

Over April break, the lacrosse team faced off against Haverhill and Manchester-Essex. During the first game, the boys lost 9-4. It started out hot going up 2 but fell quick as no more goals would be scored until the 4th quarter. That game's goals were scored by Max White (2), Braden DeLisle, and Evan Murphy who both had one. The boys fought hard and made sure to keep their heads high for the game the following day against Haverhill. During the Haverhill game, the boys got off to a very hot start. Goals were scored early getting a 4-1 lead. Sadly even with the tough efforts the team could not capitalize much more. They would fall behind losing in the end 17-8. Goals were scored by Max White, Braden DeLisle, Evan Murphy, and Nicky Creps.

Coming off of break, the boys were ready for a game against Lynnfield. At full strength, they wanted to win. They came out hot going up 2-0. An early goal from Landon Mitchell followed by a nice assist from Ollie Peters to Nicky Creps helped them gain momentum. It was a battle throughout the entire game. The boys were fighting to keep possession and put the ball in the back of the net. They were faced up against a great Lynnfield squad, which made it tough to keep that lead. They fell behind and could never get back to even. In the end they lost 14-8. Goals from Max White (3), Nicky Creps and Branden Delisle(2) and Evan Murphy. The boys kept their heads high through it all, and were scheduled to play yesterday against Ipswich at home.

ASK PETUNIA-JONES!

gaining superhuman powers

Dear Petunia Jones,

For the past 10 years, have aspired to reach my true form as a super friendly super cool super hero! I just adore serving my community! unfortunately, though I know I am destined for greatness, my super powers have not yet shown themselves! what can I do to claim my powers and continue my heroism.

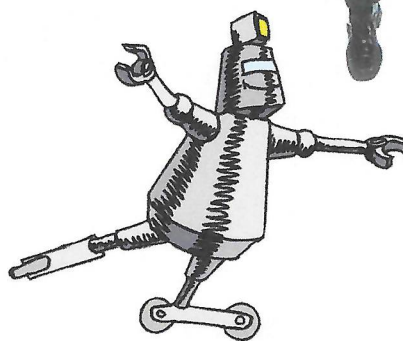

-Desmos Brisson

Dear Desmos,

Just so know when are a super hero you get lots of cute things and you are really cute...cute as a button... so if these are your goals read on...

I greatly admire your service to your community, as someone who has served as a super friendly super cool super hero for many years, I have a few tips for you! You must gather your abilities beginning with flight. Any super hero who cannot fly is super LAME and super DUMB and super not a super hero. So, you may ask, how can I fly petunia? I am but a human with no wings! And I will give you this answer... You must think beyond the constraints you burden yourself with. You may think you will never have the gift of flight, but you are wrong! in order to achieve this you must first do what all Desmos dream of ... capture a seagull. YOU may not have the innate ability to fly, however, a seagull does! In order to capture a seagull you must sing to him. He will not come if he can not hear your voice. You must sing a song that will draw nature's harmonies! you must sing "Seagulls!" by Bad Company. Once the seagull has flown into your welcoming arms, you must ask it politely to grant you the power of flight. If it refuses you may have to duct tape him to your back and use his wings as your own. Once you have done this you will need to seek the power of invincibility. This is easy. Acquire a bag of concrete and form a suit.; A suit of sorts. A concrete suit will certainly protect you from harm! Remember to leave

holes for all of your orifices! However, The REAL super power is your kindness! remember to kind kids!
- Petunia Jones
